

RESOLUTION 2026-01

A resolution concerning Stormwater Management

WHEREAS, the Town of Millington has revised the Stormwater Management ordinance and believes it is satisfactory to protect the lives and property of our municipal Town residents, and

WHEREAS, the Town of Millington is willing to administer and enforce stormwater laws within the corporate limits of the Town of Millington with the assistance of their contracted Engineering Company and the approval and guidance of the State of Maryland, Department of the Environment,

THEREFORE BE IT RESOLVED that the Mayor and Council of Millington pursuant to the Environment Article, Title 4, Subtitle 2, Annotated Code of Maryland, hereby adopt the revised Stormwater Management Ordinance and any regulations promulgated thereunder, and

BE IT FURTHER RESOLVED that the Town of Millington and its Engineer is authorized to administer and enforce the provisions of said stormwater management ordinance within the corporate limits of the Town of Millington.
